Lucas Porter-Bakker

I am a 5x founder and entrepreneur; designer; full-stack developer and software engineer; teacher, mentor, and perpetual student. Otherwise, I am travelling and over-eating, sports sports sports, with family and friends, working at my photography and film making hobby, and all-things music.

Professional Experience:

SAASport | Designer // Programmer // Web Developer

React widget; Dashboard built with Angular; SDK and API - A one line of code solution to instantly automate payments via WeChat, Union Pay, and Alipay; Website with JS, HTML, and SCSS; AWS Lambdas; UX / UI Design.

⊙ Shanghai, China (2018 - 2019)
🌐 www.saas-port.com

SignHow | Lead Developer // Interim CTO

Web APP built with Ruby on Rails; a crowd-sourced visual dictionary for sign-language: MP4-GIF converter, paywall, upvoting-downvoting, liking, favouriting, admin dashboard, OMNIauth, ActiveRecord, and multiple-term search through join associations.

⊙ Queensland, Australia (2018)
🌐 www.signhow.co

KuPeng | Designer // Frontend Developer

WeChat Mini-Program built with WXML, WXSS, and JS; Lean Cloud; QR code scanner; a virtual wallet built within WeChat that consolidates all of your paper punch cards into a mini-app; podium finish at AngelHack.

⊙ Shanghai, China (2018)

Wokout | Designer // Backend Programmer

Web APP built on Rails; MVP for booking a homecoocked culinary experience, with chefs who love to cook: Making reservations, receiving bookings, multi-search functionality, user and admin dashboard, posting and updating listings.

⊙ Hong Kong (2018)

Professional Photography | Web Developer // Designer

Website; image galleries and blog: dev-ops, user-interface (UI) and user-experience (UX) design, branding, and image content.

⊕ www.lucasporterbakker.me (2017)

GOJI | Web Developer // Designer

Multi-lingual site with separate student and tutor portals: dev-ops, user-interface and user-experience design, mailing, resources portal for tutors and students, blog, featured tutors menu with top-rated accounts, video content.

⊙ Toronto, Canada (2017)
⊕ www.gojinet.com

Westgroup | Web Developer // Designer

Multi-lingual site with blog: dev-ops, UI / UX design, branding, and video.

⊙ Hangzhou, China (2016)
